Today, this Sunday, August 7th We will say a formal good-bye to Father Stéphane at and after the 10:30 am Mass on Sunday. Please plan on attending and please keep Father in your prayers as he prepares for and takes up his new assignment. As noted previously Father Stephane is not leaving us completely. Although he is no longer the associate pastor here and will become administrator of the three small parishes in Centreville, Erinsville and Enterprise. He will continue to return to St. Mary's for the 7:30 pm Sunday Mass to assist with confessions and from time to time celebrate and preach and on Monday's, celebrate the 7:45 am Mass and look after École Cathédrale, especially the sacramental preparation. He will be here approximately 1.25 days and we will pay that portion of his salary to his new parishes. Father Don Oberwarth the Pastor of Bedford and Sharbot Lake will be here for 1 day, Wednesday from noon to Thursday at noon to provide some extra help as well. This is the way of the future. That priests who have small, rural assignments that are not full-time engagements will help out those who have larger assignments that are more than full-time engagement. This is an opportunity to thank Father Stéphane for all his good work here especially in marriage and baptismal preparation, his work at École Cathédrale and of course his work here in the parish. We pray that his new assignment will be very fulfilling for him and his parishioners. You know that in general priests go where the Archbishop asks them to go. The spirituality of a parish priest is that, in obedience, he will find the Lord wherever the Archbishop places him because that is where the Lord expects to be served and where he also expects to be found. With such a spirituality we cannot help but be happy! Our prayers and best wishes go with Father Stéphane.

When it storms badly there are several places in the rectory that leak (including my suite). Those are being attended to so that further damage does not occur. Ongoing small yearly repairs mean that we won't have one big crippling expensive repair down the road.

OUR GREAT GARDENS AND PLANTERS: You will have noticed that the gardens and planters are extra lush this year. An extra effort has been put into watering and looking after them. Many, many thanks to Walter Durante, Lynda Dupuis, Ann Lyng and Margaret Vallieres for the time put into the gardens.

UPDATE ON REPAIRS: You will have noticed a great deal of scaffolding on the west side of the church and around the rectory. The cathedral window frames are being scraped and repainted to preserve them and pointing is being done on the stonework as they go along in that area as well.
