At the Heart of the Action with Development and Peace for ecological justice

At the COP21, Canada committed to investing \$2.65 billion by 2020 to support countries of the Global South that are severely affected by climate change. While there are many ways to respond to climate change, we believe that agriculture must be at the heart of proposed solutions. Let's support an agricultural model that enables small family farmers to live in dignity and feed their communities in a way that respects our common home, the Earth. Sign the Development and Peace Action Card today! Ask the Prime Minister to take into account the vital role of small family farmers in feeding and cooling the planet and to ensure that their voices are heard.

ST. MARY'S MUSIC MINISTRY: As of Feb. 13th forward, there will be a time when we will have fill-in organists, a cappella leadership and possibly no music until a new Music Director/organist is found. A search is under way. Ads have been placed on the Kingston branch Royal Canadian College of Organists (RCCO) website, on the National Royal Canadian College of Organists website, on the American Guild for Organists website and in papers like the Catholic Register. The job description itself is on our website. The RCCO provide professional support to advise musicians and churches to assess levels of training and ability so that as good a fit for the musician and parish can be made as possible. We have already received twelve applications. Most of these are from the United States. Most of them have Masters degrees in organ and conducting; some even have Doctorates in one or the other or both. We will wait a few weeks for further Canadian applicants and then the selection committee will be struck to discern among the interested musicians. Mr. David Cameron, one of the best musicians here in Kingston, has agreed to assess the applicants' skills as they audition on our organ. Please keep the finding of an organist very much in your prayers over the next couple of months.

We will say a special good-bye to Catherine Helferty, the present music director/organist at the 10:30 am Mass on Sunday, February 12th. May God bless your future endeavours Catherine!!
