Ringing for Peace

Armistice 100

FROM ARCHBISHOP O'BRIEN

RE: BELLS FOR PEACE

Dear Monsignor/Father:

Sunday, November 11, 2018, is a very significant anniversary in the history of Canada and the history of the world. **This year's Remembrance Day is the 100th anniversary of the signing of the Armistice to end the First World War.** To mark this important occasion and to reflect on the loss of life and sacrifices made by soldiers and their families to bring peace to the world and preserve our freedom, churches across the country are being asked to participate in **the ringing of church bells at sunset on Sunday, November 11, 2018.**

Specifically, churches are asked to:

Toll their bells 100 times, with 5 seconds between tolls;

- Start ringing at sunset (approximately 4:45 p.m. in this area) on November 11, 2018;
- Engage youth in the community to be part of the bell ringing process, wherever possible; and,
- Advise the Legion of their participation (PGagne@legion.ca)

I encourage you to join me in supporting this initiative and will leave up to each parish the practical implementation of the ringing of your church bells, understanding that there may be reasons why this might not be possible.

ST. MARY'S WILL PARTICIPATE IN THIS BEGINNING AT 4:45 PM.

From the Royal Canadian Legion on the 100th Anniversary of the End of the First World War

The war to end all wars left an indelible impression on Canada. Some 619,636 Canadians enlisted with the Canadian Expeditionary Force during the war, and approximately 424,000 served overseas. Close to 61,000 Canadians were killed during the war, and another 172,000 were wounded. Many more returned home broken in mind and body. The Dominion of Newfoundland suffered 1,305 killed and several thousand wounded. Of the more than 172,000 Canadians who reported wounds during the war, medical authorities classified approximately 138,000 as battle casualties. Of the wounded who survived, 3,461 men and one woman had a limb amputated. No reliable method existed for

tracking or treating psychological casualties, but authorities identified over 9,000 Canadians as suffering from "shell shock". (<https://www.warmuseum.ca/firstworldwar/history/after-the-war/legacy/>)

This was an enormous contribution from a population of just under 8 million in 1914. Approximately seven percent of the total population of Canada was in uniform at some point during the war, and hundreds of thousands of additional Canadians worked on the home front in support of the war. If you were to extrapolate from the numbers listed above, it could be claimed that the majority of the population in Canada at that time was touched in some capacity by the war. Further to this you could also state that there were at least 425,000 families that were intimately affected as their loved ones faced the brunt of the tragedy that is war.

If we are to remember those that fought, we need to drive home the message of the horror of war and its effect on the society that wages it. That includes the families that had to live with the unknown and after the war with the after-effects related to those who returned with injuries both visible and invisible.

All rehearsals and liturgies are held at the Cathedral of St. Mary of the Immaculate Conception. The choir will sing at the Archdiocesan Feast of the Immaculate Conception and Ordination to the Diaconate on

December 7th, 2018, 7:30 PM, at the Rite of Election on March 10th, and at the Chrism Mass on April 16th, 2019. There will be at least one choir rehearsal preceding each Liturgy. CHRISTMAS DAY DINNER VOLUNTEERS: The Parish Pastoral Caring Team are beginning preparations for our annual Christmas Day Dinner for those who are alone or who are unable to prepare a Christmas Day dinner for themselves. Once again this year we are reaching out to serve the needs of more people within our local community. **Our annual Christmas Day Dinner will be held at St. Mary's Parish Centre immediately following the 10:00 am Christmas Day Mass** when a complete turkey dinner will be served from 12:00 pm noon until 2:00 pm. Doors open at

11:30 am. *Volunteers are needed to assist with the set up and decorating the Parish Centre and with advanced food preparation on December 22, December 23 and until noon on Christmas Eve. If you have some free time on those days, please consider volunteering a couple of hours to assist in the preparations. Donations of home baked food items would be greatly appreciated. This is a great opportunity for discipleship by giving of oneself in imitation of God's great gift of Himself, which we celebrate on Christmas Day.* We ask that you prayerfully consider volunteering at the dinner as we strive to serve the less fortunate in our community during this joyous time of the year. Individual volunteers as well as entire families, who have volunteered at our previous Christmas Day dinners, have stated that it was one of the best Christmases they ever experienced thus reaffirming that those who give of themselves to others receive many graces in return. Come and experience for yourself the joy of giving! If you are interested in volunteering or are willing to contribute baked goods, please contact Ann Lyng at 613-546-5521 Ext 5 or alyng@cogeco.ca

Presentation in Support of Priests' Retirement Fund **November 10 - 11, 2018**

"If you let me be your servant, let me be as Christ to you, Pray that I will have the grace to let you be my servant too."

These simple words of the *Servant Song* sum up beautifully the spirit and the purpose of the Priests' Retirement Fund. Called by God, our priests have lived their lives in service to us. Now it is our turn, and, through the Priests' Retirement Fund, we have the opportunity to be of service to them.

Living our lives in service to one another is exactly what God asks of all of us. He gave us the perfect example of this, when He washed the feet of His disciples at the Last Supper. Throughout their lives, our priests have cared for us in our parish communities, our homes, our schools, and our hospitals. They have given of themselves tirelessly to establish parish communities where there were none. They have administered the Sacraments to us; comforted and counselled us during difficult times in our lives; established youth programs to keep the faith burning in the hearts of our young people; and strengthened our faith and provided spiritual direction to us through catechesis. They have encouraged and supported our lay efforts, so that we might be actively involved in our own faith development and parish communities. They have rebuilt churches; served on school boards; managed fundraising campaigns; cared for the homeless; established social justice programs; and welcomed and helped new immigrants to make a fresh start in our country. They have done it all with great love for us and for God. Now it is our turn.

Asking for help is never easy. As the hymn says, "*Pray that I will have the grace to let you be my servant, too.*" Retirement can be difficult, and this is particularly true for priests, who do not reach retirement until the age of 75. Earning opportunities have been quite different for them than they are for most of us; and, in retirement, our priests sometimes face challenging living situations. By the time our priests retire, we are often their only family. They need and deserve our support.

With your generous donations to the Priests' Retirement Fund, we can help our priests to maintain a modest but active and independent lifestyle in their retirement years. For those who are ill or otherwise infirm, the Priests' Retirement Fund ensures that our retired priests continue to have health benefits.

We know that our priests can count on this parish to be as generous as possible. We know, too, that our retired clergy are grateful and deeply touched by our generosity and genuine love for them. As we make our donation next week, let us call to mind the second verse of the *Servant Song*,

"We are pilgrims on a journey, we are brothers on the road. We are here to help each other, walk the mile and bear the load."

Thank you, and may God bless you
